

## **LOOKING FOR A&P'S TO JOIN OUR TEAM!**

### **A&P Technicians - Experienced**

Atlantic Aero, Inc. – Greensboro, NC  
Full-time, Permanent, hourly Position

#### ***Summary:***

Atlantic Aero, Inc., is recruiting for Technicians who want to be part of a team committed to providing quality maintenance to our Customer's aircraft. We are known in the Southeast for maintenance of Corporate and General Aviation aircraft specifically Hawkers, King Airs, Learjet, and Citation and are a Designated Alteration Station (DAS). Our newly remodeled shop includes FIVE hangars: four for turbine aircraft maintenance and one for recip aircraft maintenance. Our Technicians work on all aspects of the aircraft including inspections, repair and modifications. Our Technicians utilize the Corridor computer system to assist with work order completion and customer communication. In addition, we are certified to perform Non-Destructive Testing in four areas: Eddy-current, Ultrasonic, Magnetic Partide and Liquid Penetrent.
