Letter of TC ODA Designation

Under Title 14 of the Code of Federal Regulations, part 183, subpart D, we at the Federal Aviation Administration (FAA) Authorize Atlantic Aero Inc. (Piedmont Triad International Airport, P.O. Box 35480, Greensboro, North Carolina, 27425-5480) as ODA-511128-CE. Your organization has been found qualified and capable to perform as a Representative of the Administrator for the purposes of performing design, approval of technical data, issue STC and/or Amended STC, approval for data used for major repairs and alterations, determine conformity inspection requirements and conduct conformity inspections, issuance of airworthiness certificates and approvals, and other airworthiness functions. You may use ODA procedures in accordance with 14 CFR part 183, subpart and your FAA approved procedures, "Atlantic Aero, ODA-511128-CE, ODA Procedures Manual, Document No. AAI-ODA-0001". This authorization expires on August 31, 2012 and is effective for all the functions as shown in section 2 of the Atlantic Aero ODA Procedures Manual.

Congratulations! This is a significant milestone in your organization's relationship with the FAA. Your demonstrated performance and responsive attitude in working with us contributed to this approval.
